Come wearing your favourite preloved clothes!

'Care for your clothes, like the good friends they are' - Joan Crawford

Our clothes work hard to take care of us, and we should treat them with the care they deserve.

Do you have things in your wardrobe that are going neglected? Things that are suffering from lack of attention?

Treat your clothes like friends, and introduce them to new friends!

Join the Preloved Clothes Spring Swap and come and meet some new best-friends of your own!
